

We're pleased to announce that we have commissioned a state-of-the-art 3D application to allow our website visitors to experience a tour of our bathroom remodeling showroom from wherever they are.

Our [bathroom remodeling showroom](#), the largest of its kind in the area, had been digitally captured in full and rendered into a viewable widget on our bathroom remodeling page.

In addition to the 3D virtual tour, you can always peruse many high quality images of our stylish bathroom remodeling features, from fixtures to tiles to bathtubs.

Of course, pictures and virtual tours are nothing like the real thing. Browse the site, then come on up and talk to one of our friendly and knowledgeable staff members. You will receive a free initial showroom consultation to get you started on building your dream bathroom. Just bring along pictures and measurements of your current bathroom, ideas and concepts you might have, and tell us about your budget and we'll do the rest.

Our address is:

202 W Uwchlan ave
Downingtown – Pennsylvania
19335 – United States

Tel: [484-617-7677](tel:484-617-7677)

We hope to see you soon!
